Overview

Why make these changes?

Lack of functionality, and no ease of use.

The sites design is in need of updates and tweaks.

Our Proposal

Design a solution, and dashoard that is scalable and meets the sites needs.

Visually enhance the site, make requested edits and formalize the sites design.

Design & Build

Build off of existing site using Elementor, use the Elementor theme builder to formalize designs.

Enhance the sites visual and functional assets for ease of use and to display the podcasts beautifully.
